*“Award Winning Private Residential Care,  
in an Elegant Parkside Setting”*

Set within the peaceful surroundings of Meyrick Park conservation area; St Anne's Court offers a relaxed and carefree lifestyle, away from the burdens of household management.

An elegant Edwardian home in lovely grounds, all rooms are en suite and comfortably furnished. Spacious social areas provide the focus for a stimulating daily life, with a varied range of activities and events on offer, for those that wish to take part.

Our award winning care team provide assistance with all aspects of daily life; enhancing the dignity, privacy and independence of our Residents.

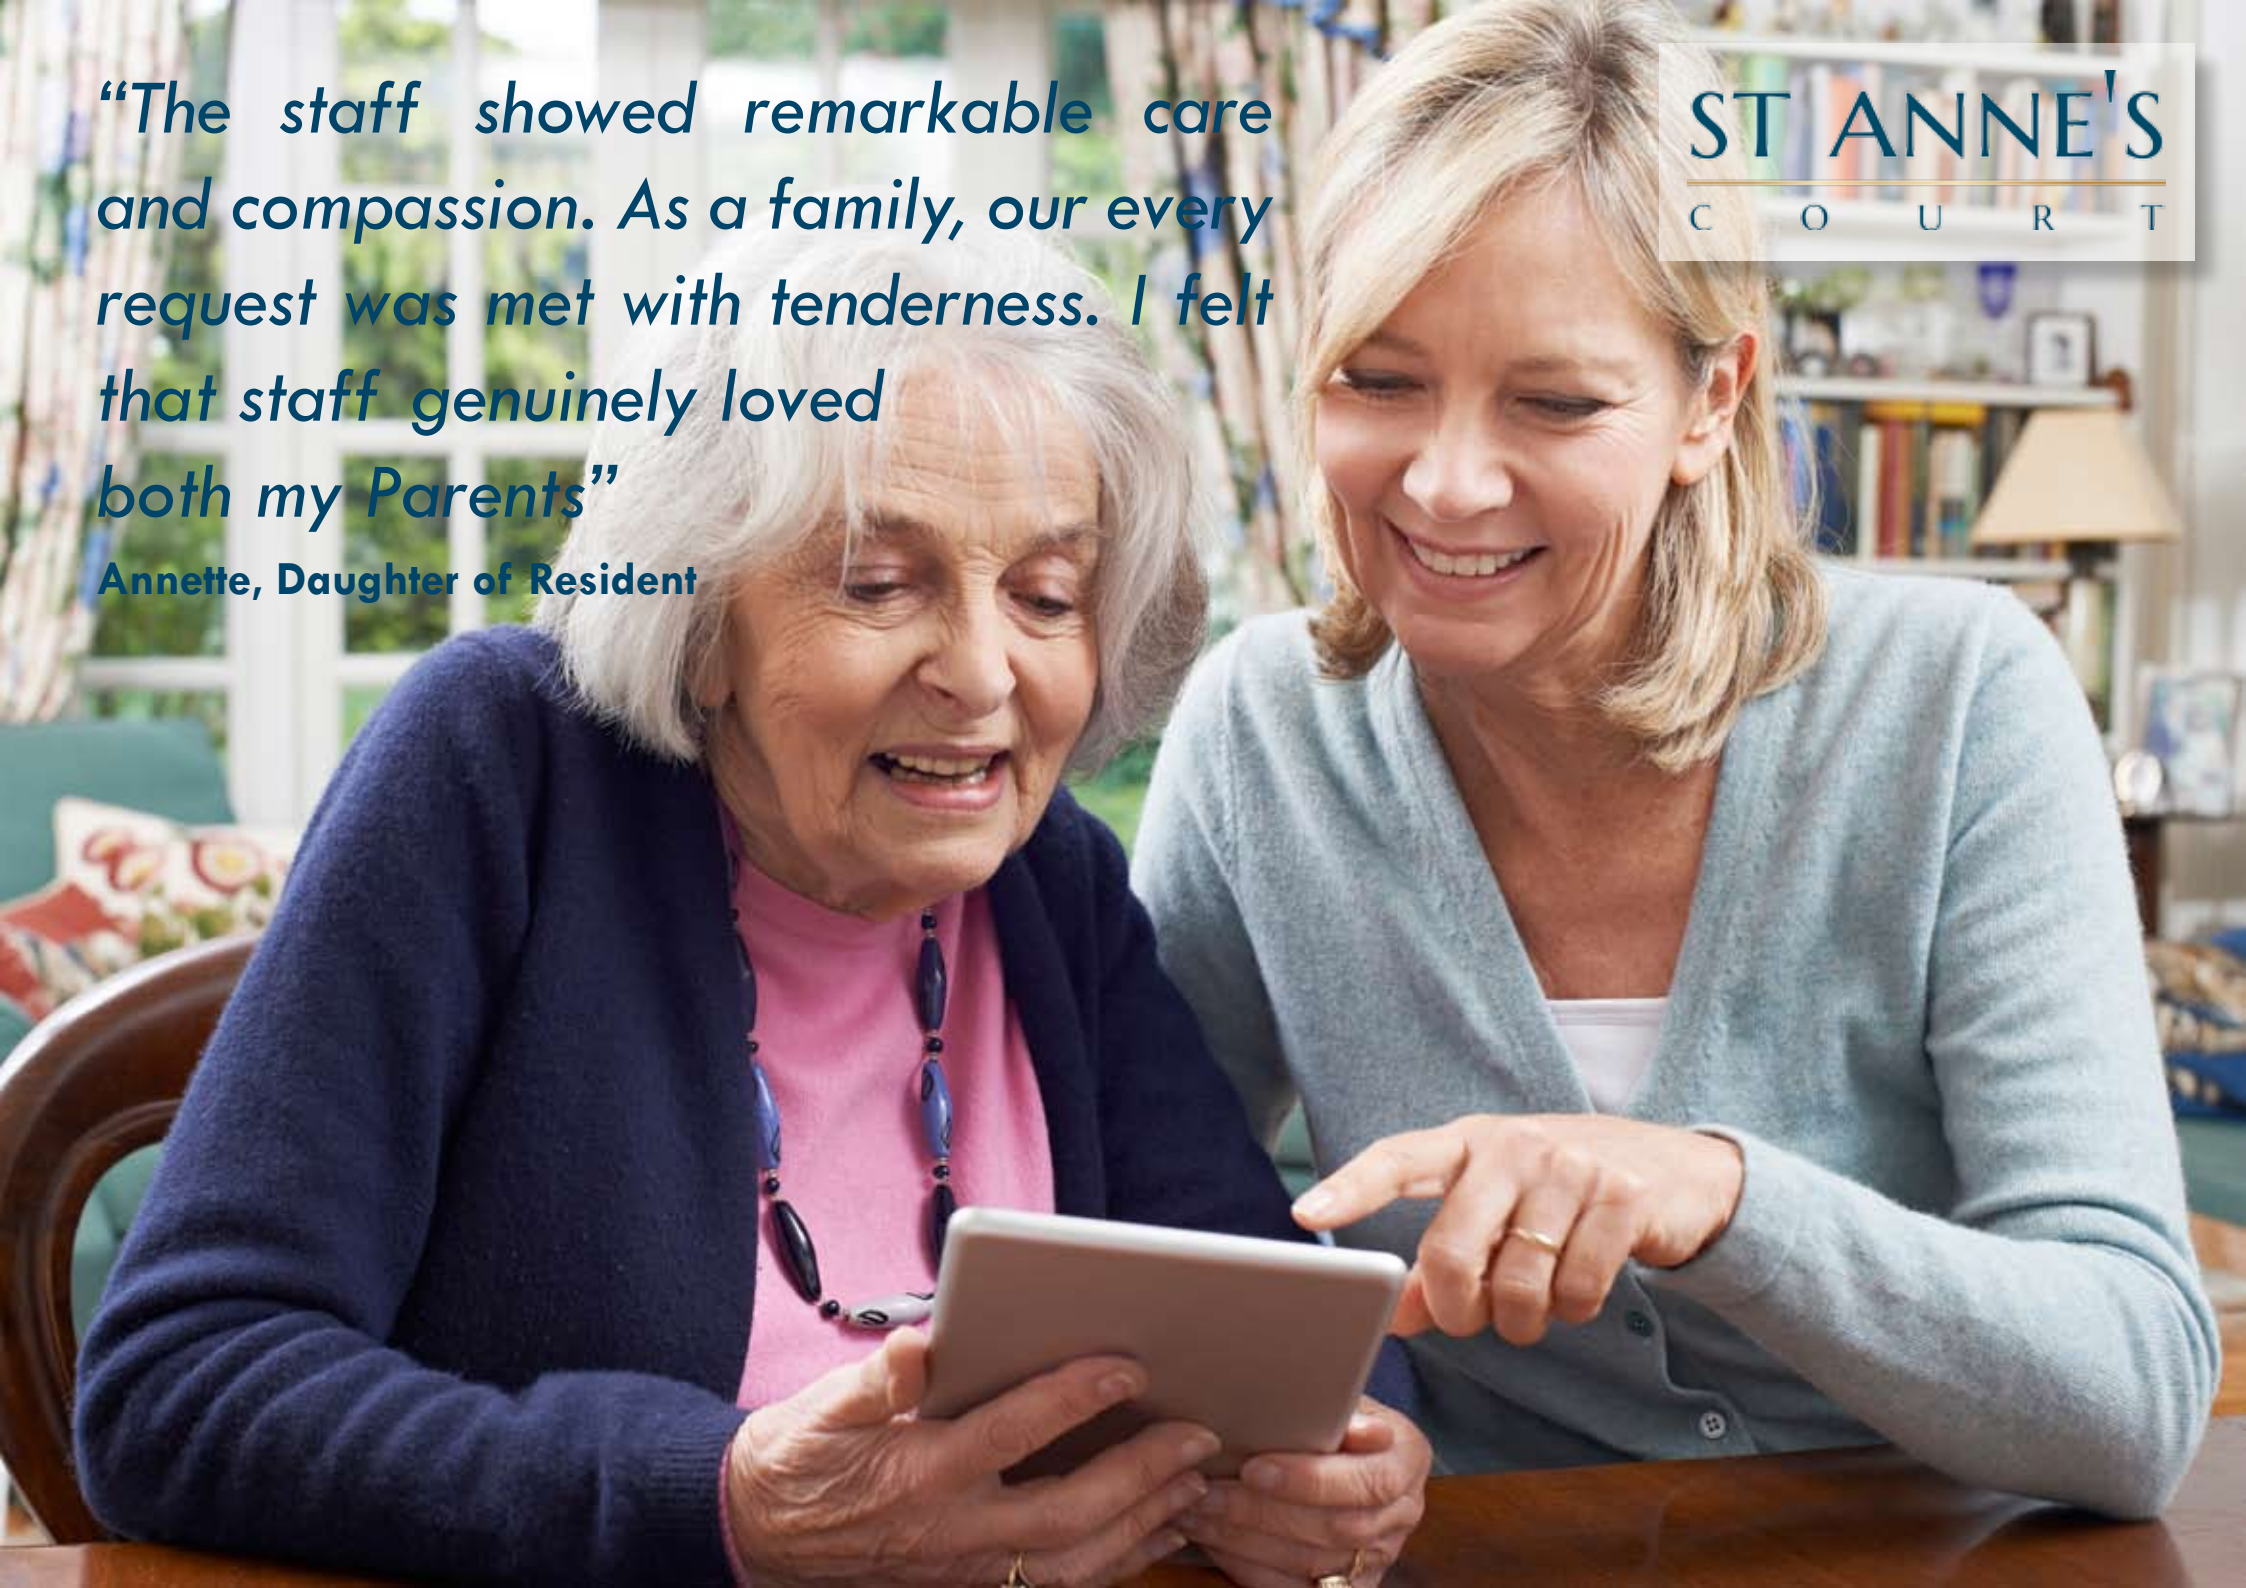

Whether you visit St Anne's Court for a few days, or become a permanent Resident, you will be warmly welcomed into a caring and vibrant family, where every effort is made to ensure that it becomes your home from home.

*“The staff showed remarkable care and compassion. As a family, our every request was met with tenderness. I felt that staff genuinely loved both my Parents”*

St Anne's Court has been in the same family ownership since 1972. Our passion and commitment to achieving the highest possible standard of care is evident in everything we do and was recognised in 2016 when we were awarded Beacon Status for End of Life Care, within the Gold Standard Framework for Care Homes.

A wide range of services are provided in-house; including Hair-dressing, Chiropody, Physiotherapy and Dentistry, while a daily taxi service runs to and from Bournemouth town centre.

Our Activities Coordinator plans a regular schedule of events, including live musical performances, pet & animal visits, skittles, quizzes, armchair exercises, coffee mornings, tea parties and garden parties in the summer.

Bespoke care plans are created for each Resident, taking every aspect of their care needs and lifestyle choices into account. Our experienced team are expert in the care of individuals with physical disabilities, dementia, sensory loss and other long-term conditions.

*“St Anne’s Court is perfect for my Mother. She has a lovely room and there’s always a warm welcome when I, and often my ten year old twins, come and visit her.*

*I think the owner considers the Residents as members of her extended family.*

*She’s genuinely caring and always warmly professional”*

*Sia, Daughter of Resident*
